My dear friend
I have just received
your letter of the 10th
and am very glad to
hear from you.
I am well and hope
this finds you the same.
I have not much news
to write at present.
I am, dear friend,
Very truly,

Because you have identified yourselves with us,
giving generously of your time, your patience, your knowledge,
and, sometimes, your joy,

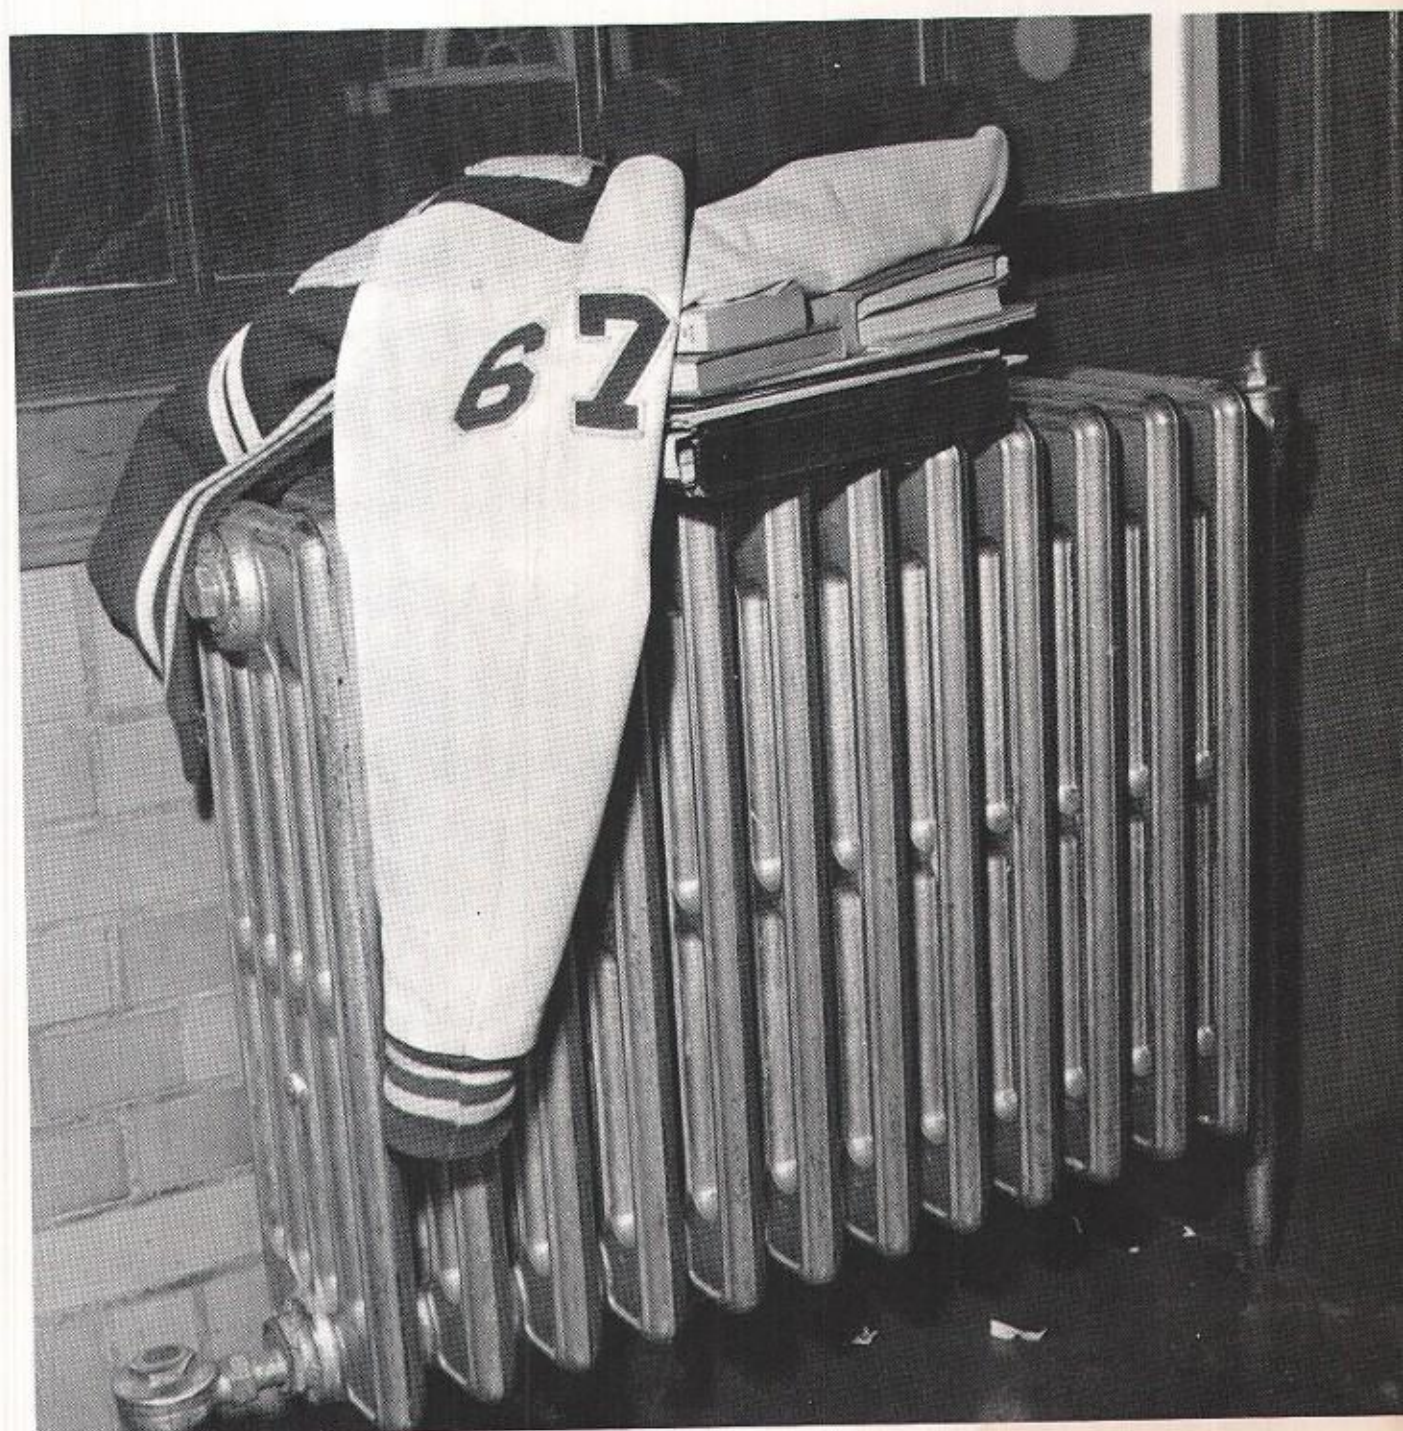

and because we have enjoyed these years, despite our grumbles,
and shall remember them happily,

we dedicate this book to you, the
FACULTY of GREENWICH HIGH SCHOOL

Three Sadie Hawkins Dances ago . . .

class of 1967 . . .

how new
and strange
it sounded . . .

how clean the white leather sleeves of the varsity jackets

Losing Eastern, Western, Central accents,

we seek ourselves,
and find others, too . . .

Seniors?! We don the glory . . .

becoming 18 . . .

filling the cafeteria to capacity '67 . . .

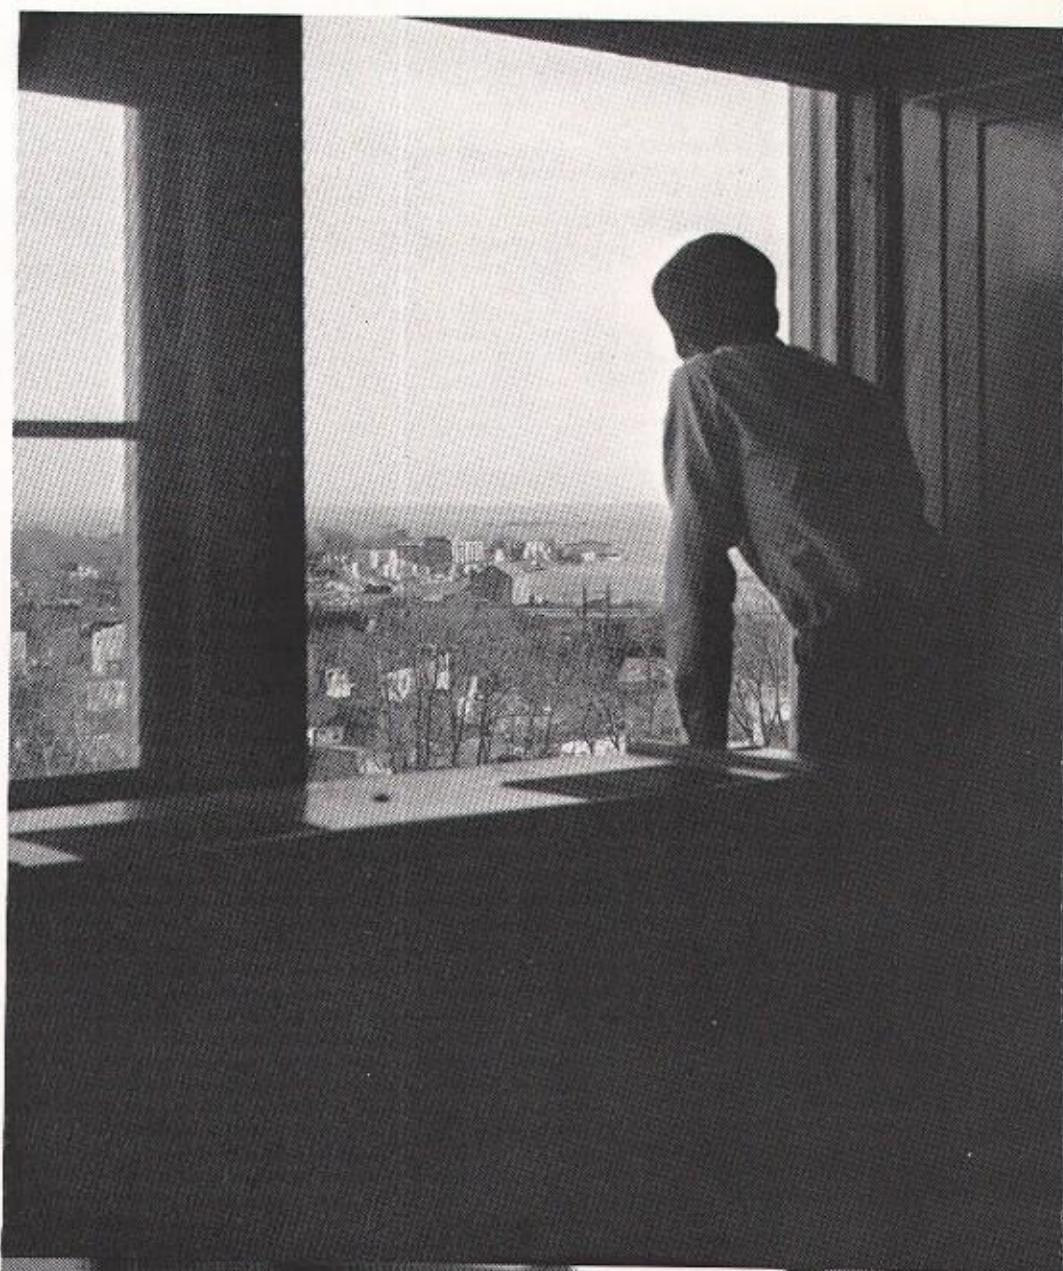

Drifting thru bleached, grey and white winter,
waiting for the blue and green splash of spring,

flooding the guidance
office with queries

Because we are
eager to move on.

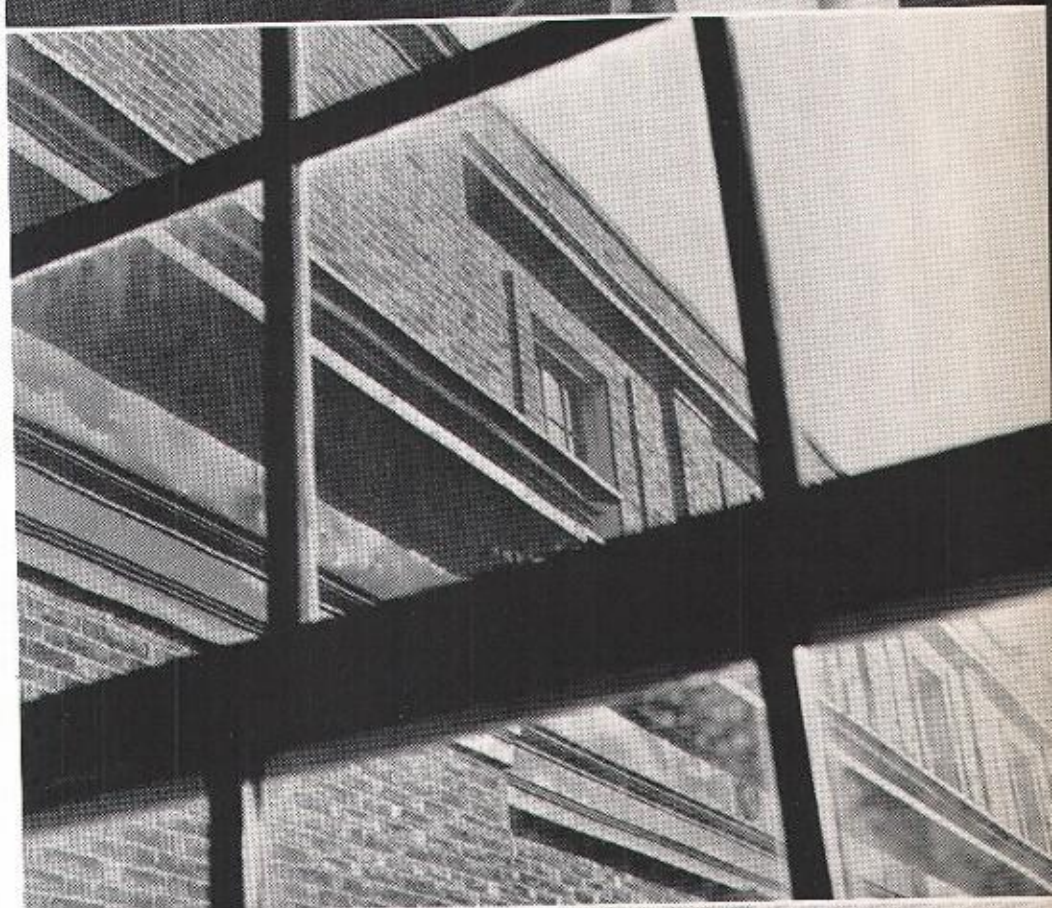

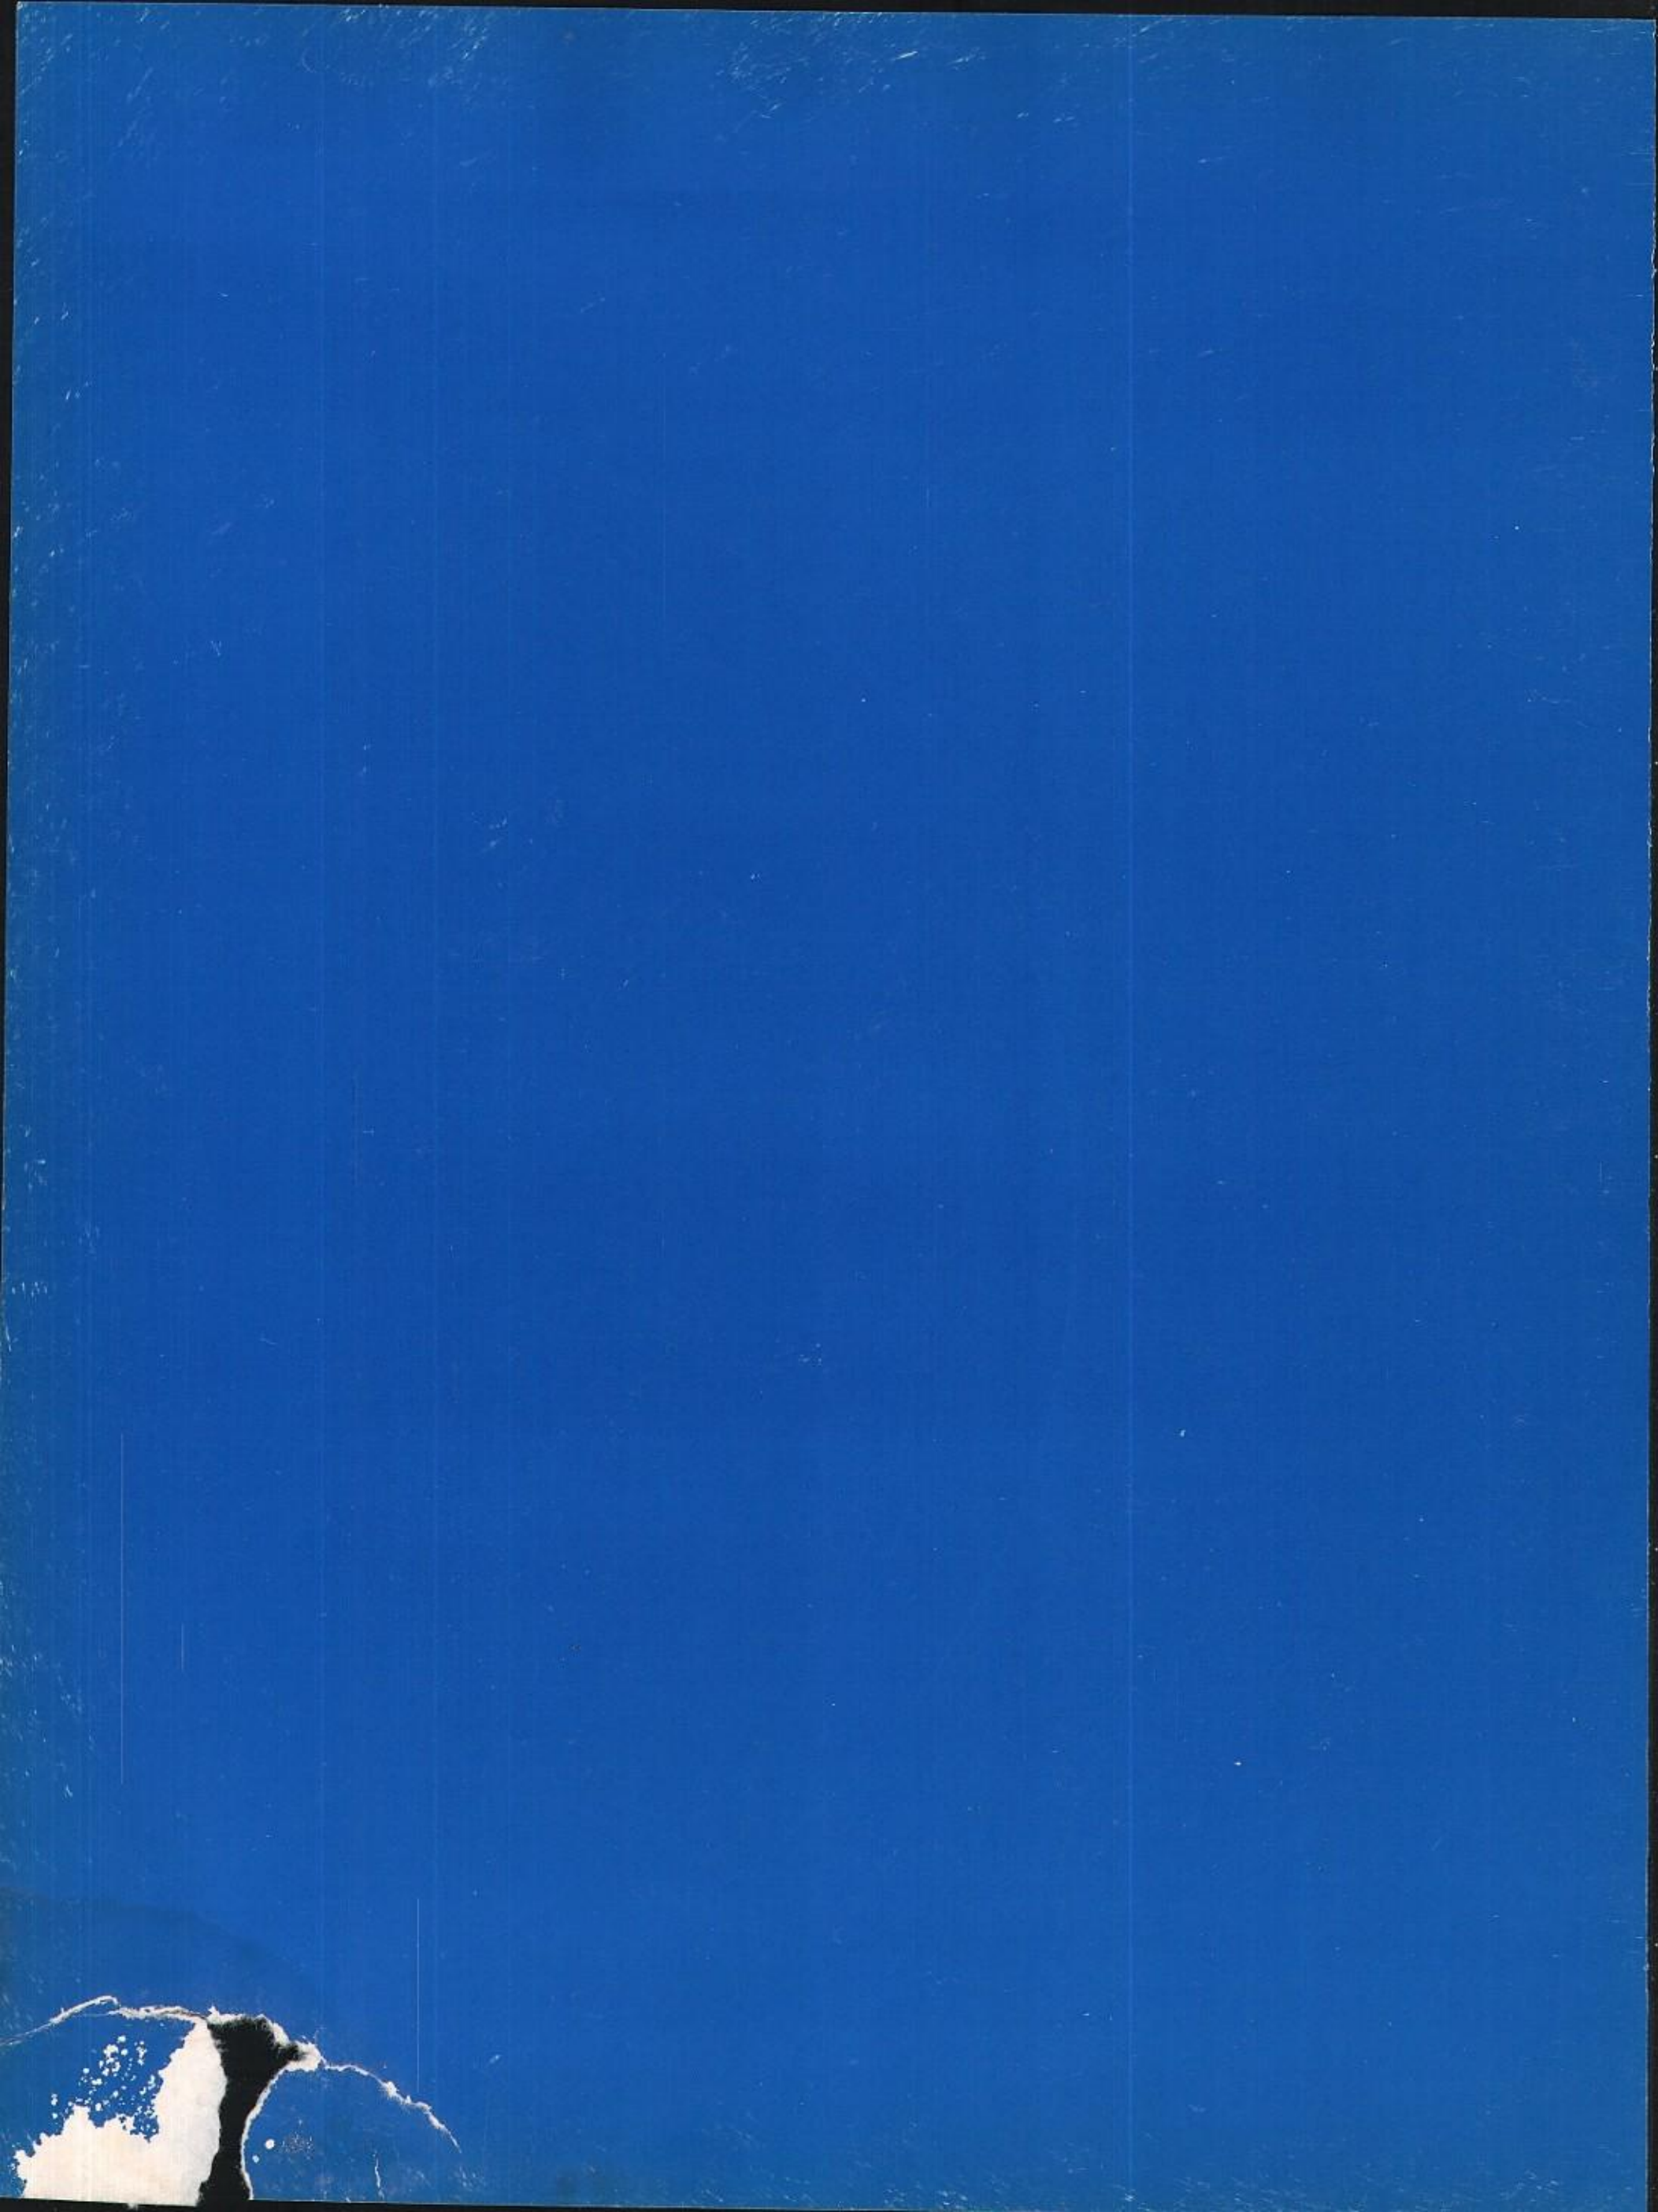

Appreciation:

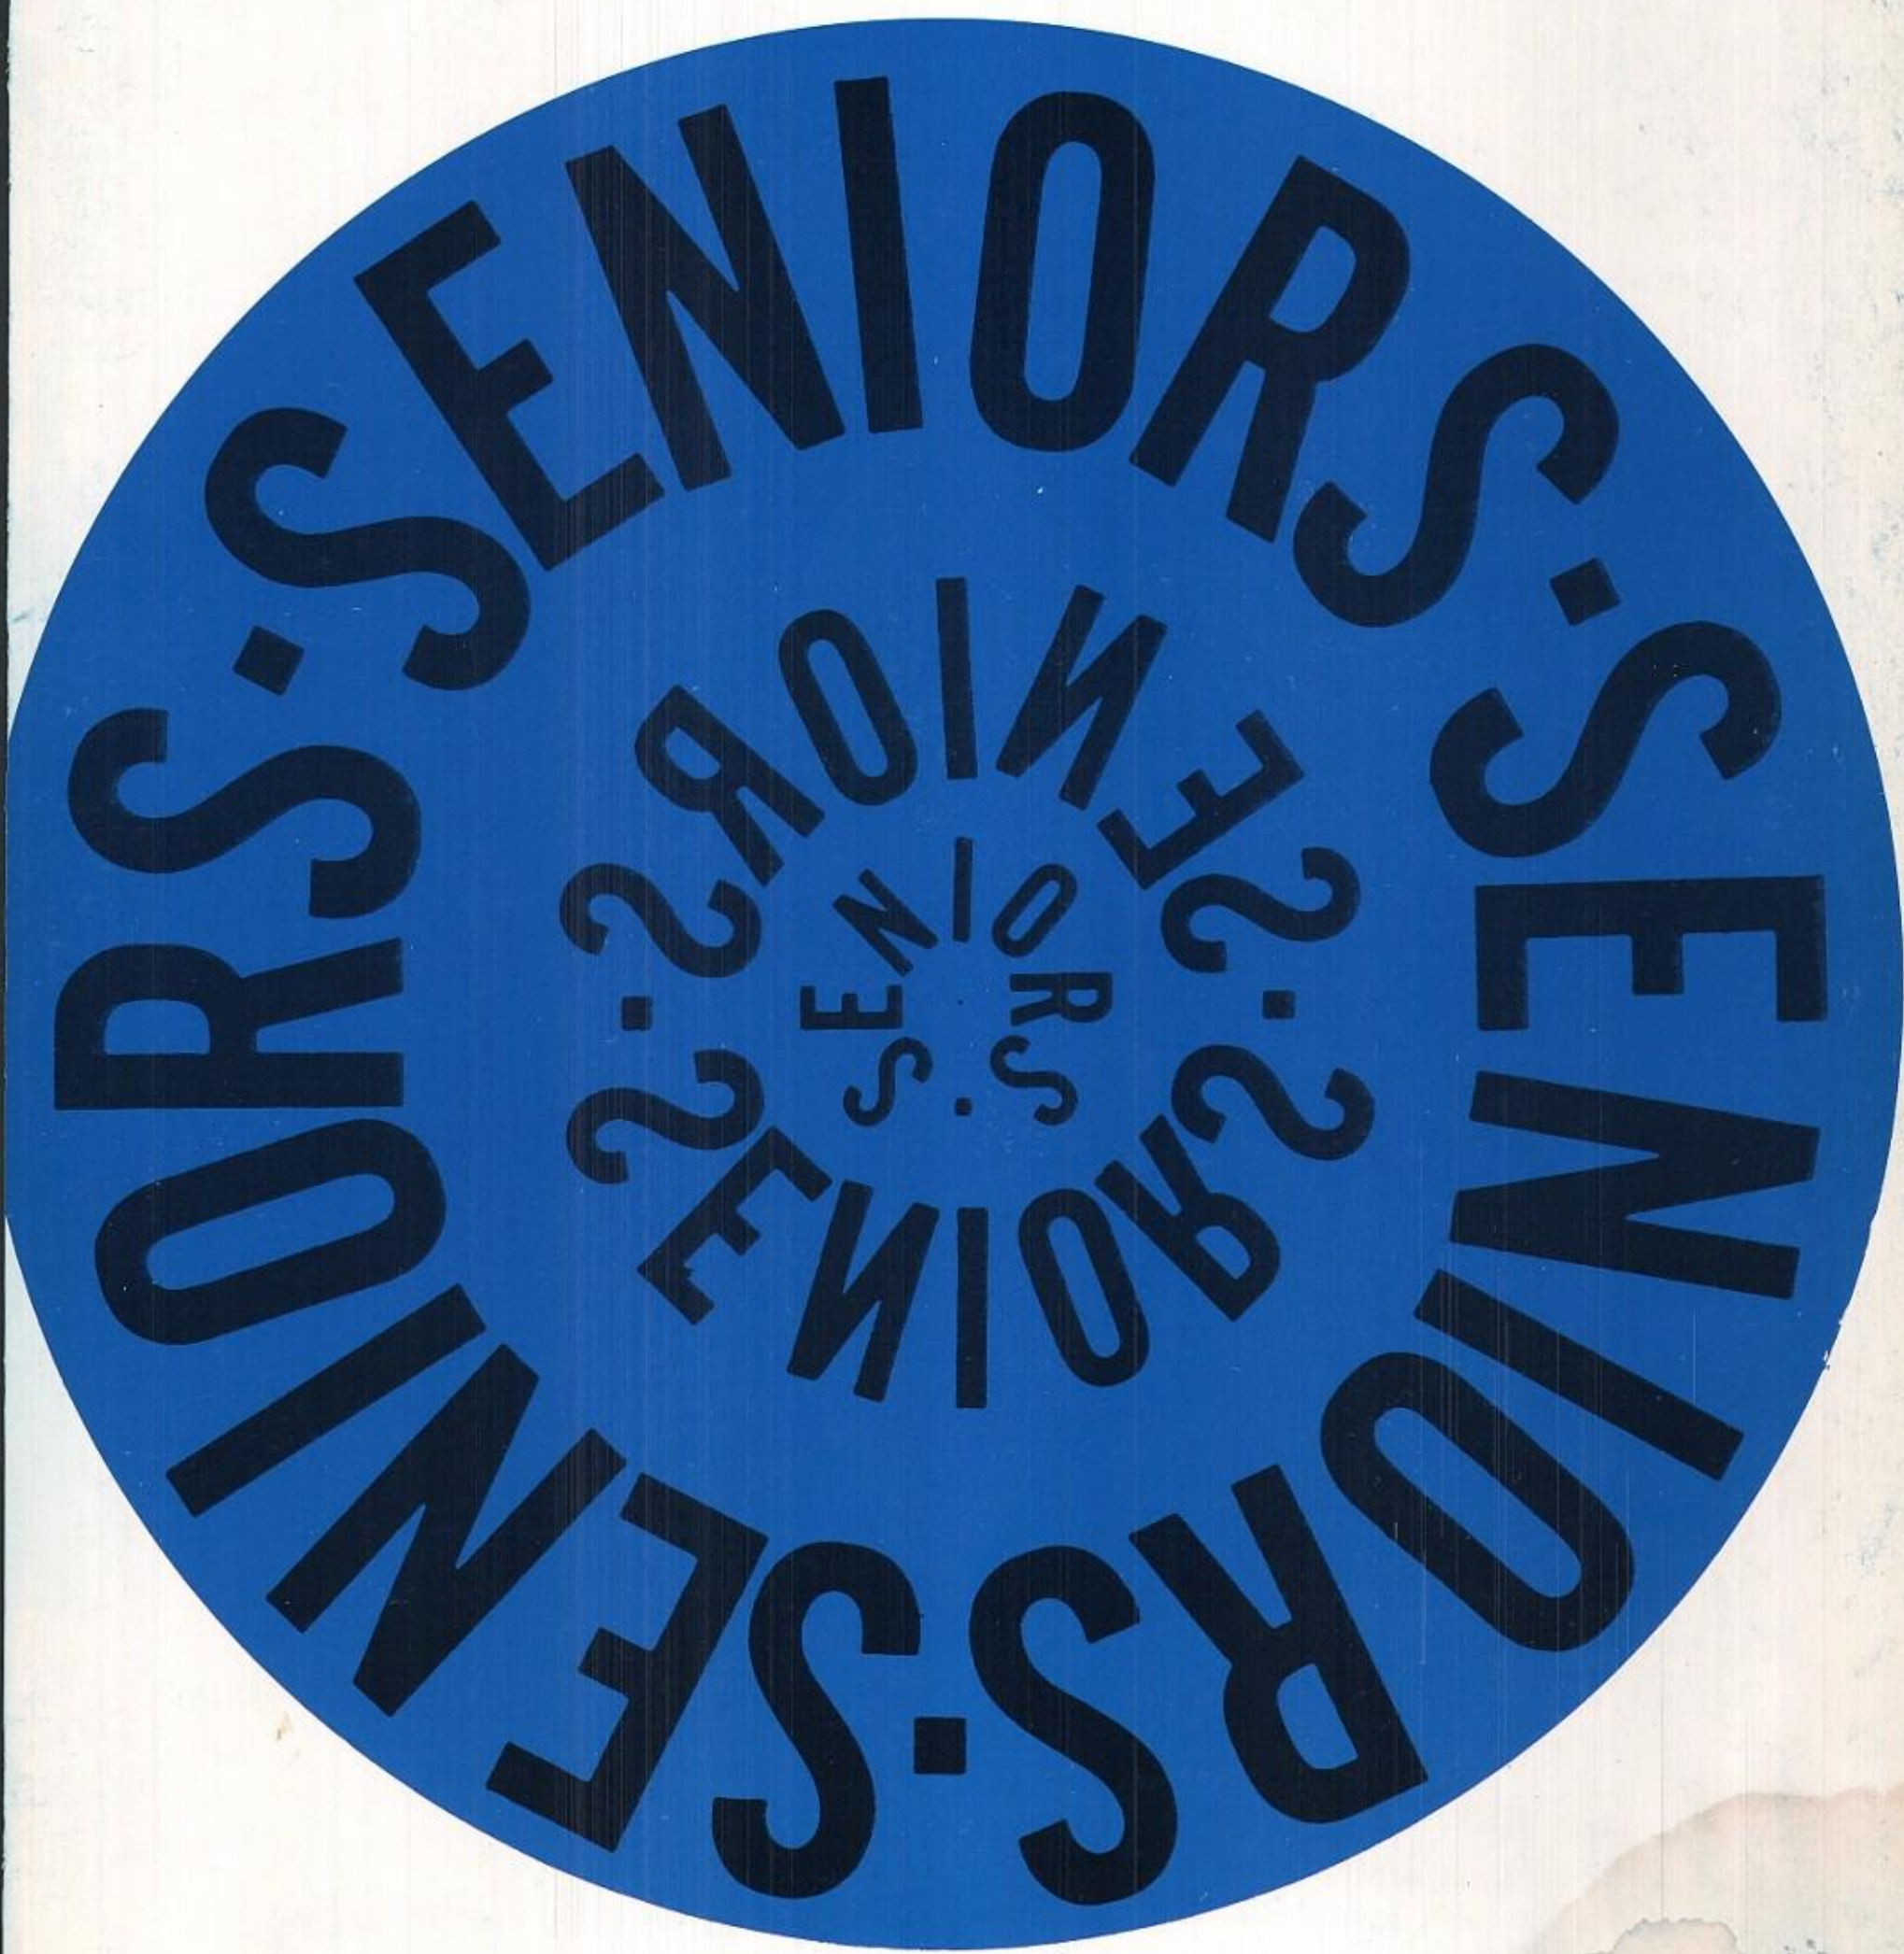

Because you have been
so unfailingly there —

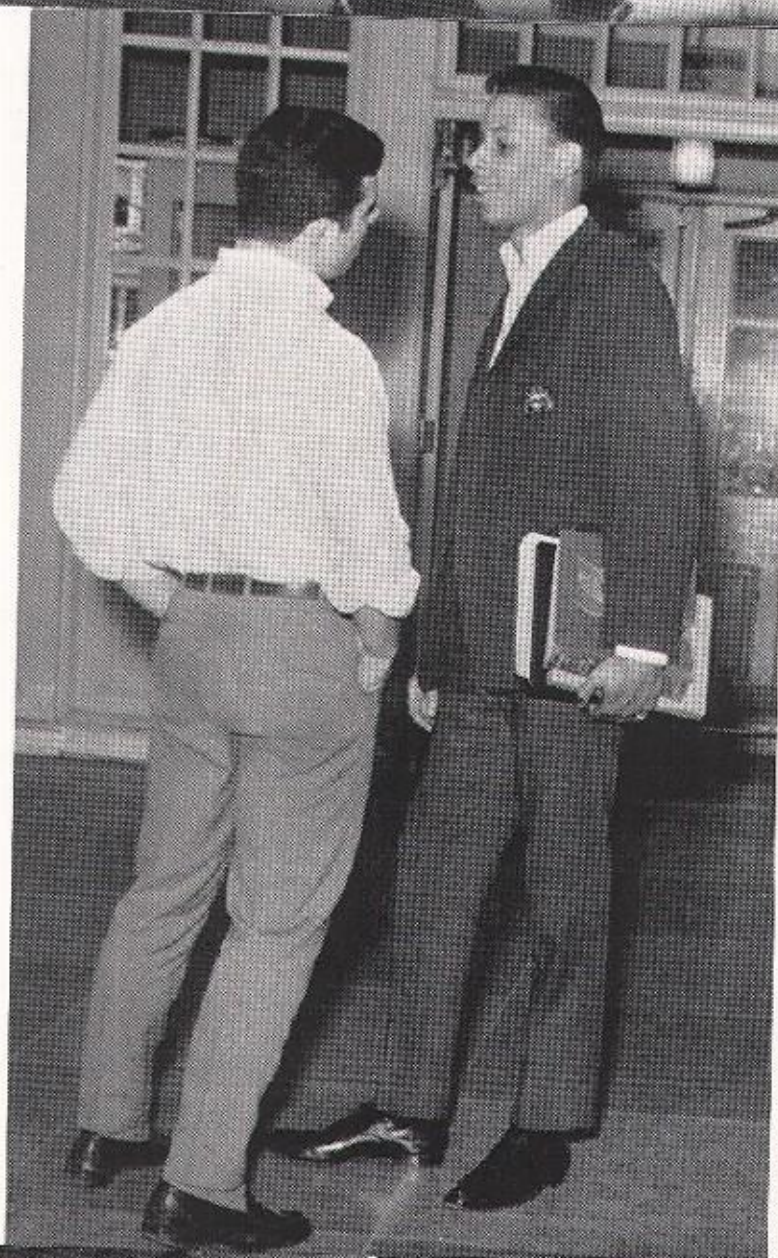

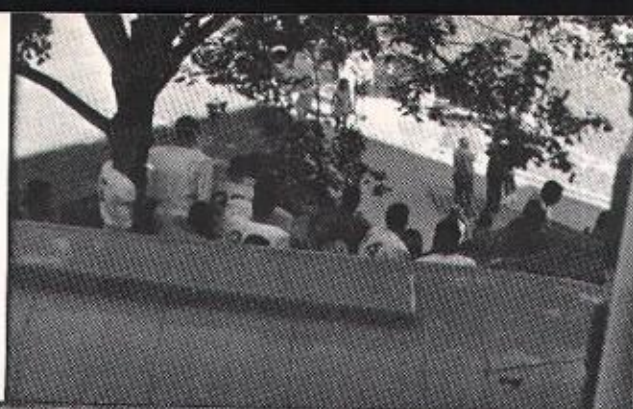

advising us affectionately
and confidently,
we thank you

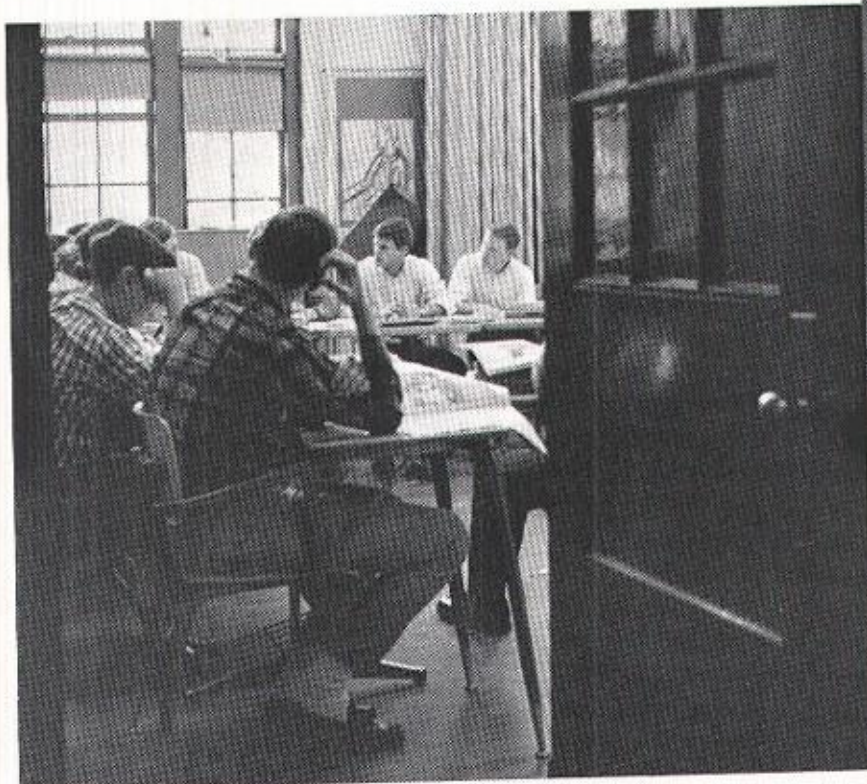

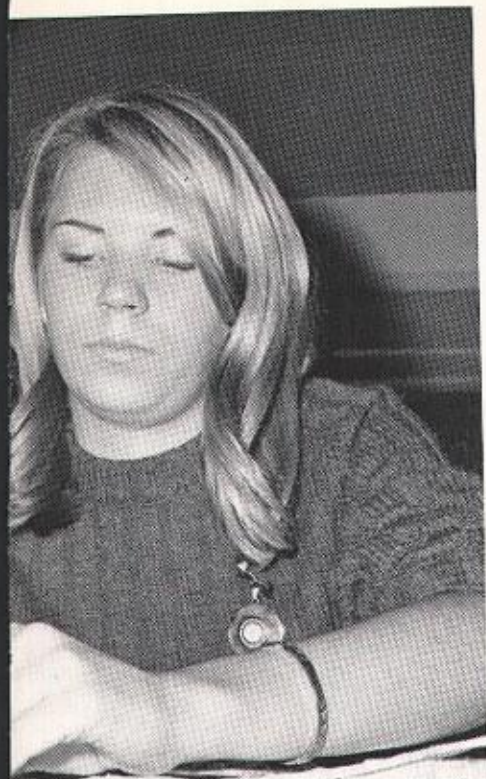

Mr. Cavanaugh

Lib- would you believe? That's me?
 But it's the best picture in the

book of me, to give you
 an idea of how unphoto-
 genic I am. Anyway -
 it's been fun this year -
 you & George, me & Bob..
 And you've helped me
 solve several dilemmas -
 all concerning boys. Stick
 around so that when I
 get down ^{in the dumps}, you can cheer me
 up, coz you're
 great at
 that - &
 I mean it.
 Anyway -
 it's been
 a gas & I
 hope there's
 more fun to
 come next
 year.
 Best of luck
 & keep
 happy.
 As always

Although outweighed in every game, the 1966 football team managed to fight its way to a 4-4 record. Directed by Coach Rice and led by Co-Captains Jon Stull and Joe Vancho, "The Team of Pride and Sacrifice" showed this spirit in every hard-fought contest.

The team began its season with victories over Stamford and Andrew Warde. At Stamford, twice the Black Knights came within the 5-yard line, only to be held by a tough Greenwich defense. Quarterback Bob Stisser came through with two timely scoring passes. The following week, in contrast to the close Stamford game, the Cards, scoring at will, rolled over Warde 26-0.

The Big Red next matched with Rippowam, but despite our team's best efforts, the undefeated, defending champion Rippowam handed GHS its first defeat, 30-19.

In the next three games against Brian McMahon, Darien, and Staples, Greenwich might have won if it had played the whole game in the same way it played each last quarter. The Cards finished the season with two more shut-out victories over Trumbull (13-0) and Danbury (7-0). Thus, the season ended with only one touchdown scored against GHS in its four victories.

For most of the season, the Big Red was without the services of veteran quarterback Jeb Swift, whose play might have turned the tide in the defeats. His 37-yard field goal was the highlight of the McMahon game. The big ground gainer for Greenwich was Tom Schinto, who ran for nearly 100 yards in each game. He, along with safety Rick Crowle, was named to the first string county defensive team. Others cited for county honors were Pete Bruno, second team offensive guard. Joe Vancho, Eric Broadben,

Under the fine coaching of Mr. Mackiewicz and the leadership of Co-Captains Steve Crabtree and Andy Coleman, the 1966 soccer team managed to earn a respectable 6-5 record. Mr. Mackiewicz explains that unlike the other conference teams, the GHS booters did not have spring practice and it was not until mid-September that the team got underway. This fact accounted for the three losses that opened the season.

After the team jelled, they beat some of the best teams in the area. The most exciting game of the season was against highly-touted Staples. After a closely fought contest, Staples just managed to squeak by with a 2-1 victory, which allowed them to place second in the state. We can be proud of our soccer team which gave the state runner-up such a battle.

Besides the fine playing of the co-captains, the team was built around the ball control and the scoring of Negussu Tamrat and Louis Lopez. The aggressive, fast play of Bill Brooks, Lee Thompson, Richard Jedlicka, and Doug Karrell also aided the team's standing. Consistent contributors to the success of the team were juniors Dave Carpenter, Tony Bucci, Jeff Bird, Dave Ludder, and sophomores Dave Whitten and John Tickner. These proficient underclassmen should form the nucleus of another successful team next season.

VARSITY CROSS COUNTRY

Paced by Co-Captains Scott Osler and John Hastings, the 1966 Cross Country team compiled an amazing 14-0 record. The team is now unbeaten in 27 consecutive dual meets stretching over a two year period. Again coached by Mr. Richard Gustafson, Greenwich ran on a new 2.5 mile course, starting across from the Boys' Club.

Front runner nearly all year long was steady Ted Johnson. During the season he established two different course records and finished third in the county championships. He, along with Scott Osler, John Hastings, John Meeker, and Jeff Swallow formed the changeable top five.

Close grouping among these five, backed up by Tom Brundage and Mark Ferenc, produced a fine season and the early season victory over Rippowam.

BASKETBALL

After overcoming early season troubles, the Greenwell Basketball Team played its best season in recent years. Under new Coach Rick Ocivirk, Greenwell qualified for the state tourney with a 17-6 record and ended the season with upset victories over highly ranked opposition.

As team captain, Bill Gasparino did an excellent job of planning strategy and directing the team's plays. The bulk of the team's scoring was done by sharpshooter Gerry Baruno and jumping-jack Warren Green. With a long, deadly outside shot, Baruno averaged better than 20 points per game. Green also scored well and his fantastic rebounding skill was impressive. Other starters included consistent senior Joe Loparco and junior Mark Miller. Reserves Dom Chiappetta and Pat Feraco played quite often, helping the team considerably.

Libby-
Well, the year is over and the only thing really worth-while was cheerleading. It was lots of fun going to luncheons, football games, and those tense basket-ball games. Next year when you're cheering you'll be a "big" senior full of confidence. Check that picture below - what timing!! Best of luck always.

WRESTLING

This year's wrestling team was molded from an enthusiast group which included only four returning starters: Dwight Harris, B. Brooks, Carl Middleton, and Steve Crabtree. Good coaching and hard work paid off, however; marked by victories and a few disappointments, the season ended for the grapplers with second place in the county tournament. Carl Middleton and Co-Captains Bill Brooks and Dwight Harris all became county champs; Tim Franc and Brad Cooper took second; Chris Black and Stoney Conley placed third; and Tim Townsend placed fourth.

There were outstanding performances by Brad Cooper, who started wrestling only this year and placed fourth; by Carl Middleton, who took second; and by Bill Brooks and Dwight Harris, who were named state champions. Brooks also received the Most Valuable Wrestler award.

## SWIM TEAM

# COUNTY CHAMPS

Once again the GHS Swim Team proved itself to be the unquestioned power in Fairfield County by extending its unbeaten record to 4 consecutive meets and by finishing first in the county. First year Coach Terry Lowe's avid enthusiasm shaped a championship team which also finished third in the state and sent swimmers to the New Englands.

Mike Hughes, Bob Peterson, and Jon Stull were the Cardinal tri-captains. Mike Hughes often brought home two victories a meet for Greenwich, winning in both 200 and 400 freestyle. Bob Peterson finished first in the county and fourth in the state in breast stroke. Versatile Jon Stull filled in where most needed. Others outstanding for GHS were Pete Galloway, who set school records in both 50 and 100 freestyle, Kevin Ryan in freestyle and butterfly, and underclassman Doug Danielson.

After a good 3-2 start, the losses being to the top teams in the league, the Ice Hockey Team ran into some bad luck. A long losing streak in mid-season ruined the team's chances for recapturing the league title this year, but hopes are high for next season.

Directed by Coach Stefanowicz, the team was led by Tom Schinto, Tom West, and Dave Nelson. Junior Dave Dibble played the nets as a result of the loss of two goalies, and did a fine job in his new position. The underclassmen who performed well and show great promise for next season are Tom McCue, Art Jahnke, Yvan Dupuy, Jeff Peden, Joe Neafsy, Dave Hvolbeck, Phil Roth, Selby Davis, and Don Crafts.

## TRACK

Led by senior Co-Captains John Hastings and Tom Schneider, the track team hopes for its most successful season in three years. Tom Schneider, who scored the most points for the Cards last season, currently holds the school triple-jump record and has come within ½ inch of the long jump mark. In addition to this, last year John Hastings set the two mile standard. Scott Osler, Lee Thompson, Kit Paine, and John Meeker will lead Greenwich in the other running events. In the field events, Greenwich will doubtless excel with the participation of Tony D'Andrea and Ed Colucci. Everything points to a great year for the track team.

The hard working tennis team is out on the court again trying to equal last year's high position in the state standings. The team has lost the services of the state champion doubles team of Rick Allison and Greg Morgan, but Co-Captains Mike Cummings and Tim Townsend are expected to fill this gap. Returning lettermen Creighton MacDonald and Paul Brenner will also help the perennially successful tennis team earn another enviable record.

The baseball team has been working hard, its long-range goal being to make the Greenwich High team once again the most respected in the county, and its immediate goal being the

defeat of Brian McMahon, the state champions. As always, of course, the team hopes for victory over Rippowam.

Co-Captains Ted Johnson and Jack Covello have behind them a fine team which includes seniors Jeb Swift, Corky Fitter, Joe Vancho, Patsy Chiappetta, and Ed Yankowich. Prospects are good for plenty of hits, plenty of runs, and no errors.

Hard work, long hours of practice, and a great team effort produced the first winning season in several years for the Girls' Advanced Hockey Team. Coached by Miss Ann Stevens, the team fought its way to a 3-1-3 record against some of the toughest teams in the state. The highlight of the season was a 1-1 tie with Roger Ludlowe, which had been previously undefeated and unscored upon. Seniors who created an almost impenetrable defense were Captain Jan Reineck, Hope Hennigar, and Sharon Livesay. The scoring attack was sparked by seniors Sue Shealy, Sue Brown, Sue Cronan, Peggy Davenport, and Cathy McDonald.

Lib: I was missing  
when this picture was taken  
but I thought I'd write here  
anyway. It has been lots of fun this  
year remembering now all the things we  
said and did. There is much anyone can really  
say to a good friend. Because when you know  
somebody really well you can't say to someone  
what they are like. I understand that's what  
this is like. I know you too well  
to say much -  
Larry

This year's Girls' Advanced Basketball Team was young but hard-working. Coached by Mrs. Menn, the team played well against some stiff opposition in its 8-game season.

The high point of the season was the Andrew Warde game. With 3 seconds remaining and the score tied, Nina Goode made the second of her two free shots to win the game, 36-35. The memory of this exciting victory inspired the team for the remainder of the season.

Seniors who led the hoopsters are Jan Reineck, Captain; Sharon Livesay and Kathy Crossen.

To The Graduating Class of 1967:

There are one-story intellects, two-story intellects, and three-story intellects with skylights. All fact collectors, who have no aim beyond their facts, are one-story men. Two-story men compare, reason, generalize, using the labors of the fact collectors as well as their own. Three-story men idealize, imagine, predict; their best illumination comes from above, through the skylight. — OLIVER WENDELL HOLMES

The image shows the front cover of a book. The cover is a solid, vibrant green color. It features a large, repeating pattern of the text "1967-1968" in a bold, blue, sans-serif font. The text is arranged in concentric circles, creating a radial, sunburst-like effect. The outermost ring of text is the most prominent, while subsequent inner rings become progressively smaller and less distinct. The overall design is minimalist and modern, with a strong emphasis on the year range "1967-1968".

The image shows the front cover of a book. The background is a solid, vibrant green. Overlaid on this background is the word "COMPASS" in a large, bold, blue, sans-serif font. The word is repeated multiple times, arranged in a circular pattern that spirals outwards from the center. The text is slightly offset from one another, creating a sense of motion or a sunburst effect. The overall design is simple yet striking due to the high contrast between the green and blue.

The image shows the front cover of a book. The background is a solid, deep blue color. Overlaid on this background is a repeating pattern of the text '1967-1968' in a light blue, sans-serif font. The text is arranged in concentric circles, with the largest circles forming the outer edge and smaller circles towards the center. The pattern is dense and covers most of the cover area. The text is oriented radially, meaning it follows the curve of the circles. The overall effect is a rhythmic, geometric design.
